Ursula Schroter

1:30 pm to 3:30 pm
Calavera Hills Community Center
Calavera Community Park
2997 Glasgow Drive
Carlsbad

These programs are made possible, in part, by a grant from the City of Carlsbad Arts Office and are open to the public.

March Demonstrator – Ursula Schroter

Ursula Schroter graduated from the University of Essen, Germany with the subjects 'Physical Education' and 'Arts with special emphasis on textile creation' for teacher ship. She completed her teaching degree with a subsequent two-year internship at various school types in Germany. In 1987, she made first experiences with painting on silk. What started, as an experiment-'Blub'-20" x 24", became a long-term hobby. She has been creating fine art paintings as well as functional accessories like scarves, clothing, jewelry and home decorations, or cards on various types of silk using a variety and combination of different techniques. Since 1993 not only she has been an

instructor for silk painting, but also has participated at exhibitions and in craft shows in various countries- Canada, California, and Germany- and has sold her wearable art at retail stores.

Since 2005, Ursula has been an instructor for silk painting classes at the Community Center, San Marcos. Ursula is a member of the Carlsbad Oceanside Art League and the Escondido Art Association since 2006. She has won several awards for her paintings. Currently she is Co-Director of Award Shows at the Carlsbad Oceanside Art League.

Due to her personal fascination with the interaction between dyes and fabrics, she loves to experiment and try new things on silk. Most of her inspirations are drawn from nature and her environment. Her paintings include abstracts, landscapes, flowers, and animals. Contact Ursula Schroter 760-751-8513 or e-mail: ueschroter@att.net.

PRESIDENT'S MESSAGE

Hello,

Here we are already into March with so much accomplished and so much more to do. All the Board Members have been hard at work on a number of different projects, several of which I will keep under wraps until next month's message. The one project I want to thank so many COAL members for contributing time to this month was our Special Needs Artist Show. COAL was proud to exhibit works created by the students of Bonnie Maffei, a Picerne Foundation Artist grant recipient. Thank you, Bonnie for bringing this wonderful program to our attention. Special thank-you's go to Bob Mussay for arranging everything and everyone; to Josephina DiSalvo for putting her all into publicizing it and getting so many people, both inside and outside the membership, to contribute; David DiSalvo Catering, and Molly Houston-DiSalvo, and all the Board members who contributed so generously. The reception was a wonderful success with special guests: Victor Nelson, from the Picerne Foundation, the Honorable Mayor of Carlsbad Bud Lewis, and David Richard from Wheels for Humanity.

We also had a wonderful oil painting demonstration done by Alison Christler, who generously donated two beautiful pieces of her artwork for contributions to the Youth Fund.

What a month! Can't wait for the next! I look forward to seeing many of you at the Membership Show.

Membership Awards Show Message

We all hope you are ready for the Annual Membership Awards Show. Everyone is looking forward to seeing your wonderful masterpieces. Remember that we can only accommodate so many paintings so quality is far more important than quantity. Read the prospectus carefully and follow all the rules. Also, be sure the wires are taped and frames have screw eyes on all wall-hung art. Be sure you have placed your art in the correct category as well. We want to be able to get you through the process quickly and easily. Let us all work together to make this another successful COAL Awards Show. See you all on receiving day, Sunday, March 1, 9:00AM to 4:00 PM.

Co-Directors of Awards Shows, Ursula Schroter, and Lou Kasza

Making Change on Cash Sales

Effective immediately, we will no longer use the contribution jar to make change on small cash sales. In its place, all gallery attendants should use the following procedure:

If it is necessary to make change when making a cash sale, use the "Petty Cash" envelope located in the top left-hand drawer of the desk underneath the red sales receipt box. The 6" x 9" envelope contains four - \$5 bills. This is enough to make change for \$10 or \$20.

After making change, put the \$10 or \$20 bill you received in the envelope in place of the \$5 bills you remove. (The envelope should still contain \$20 after you have used it to make change.) On the sales receipt, please note that you made change from the "Petty Cash" envelope. That will alert me to replenish the smaller bills in the envelope.

It will not be possible for gallery attendants to make change for a \$50 or \$100 bill because we do not want to keep that much cash in the desk. If that is all the customer has, please explain that we only maintain enough money to change a \$10 or \$20 bill for security reasons. Encourage them to pay by personal check or credit card.

Dave Seeley, Treasurer

Gallery Director's Message

Sitters are reminded that when giving out the restroom keys to someone they do not know, they should ask for a personal item to be left in the gallery, such as car keys, driver's license, etc. This insures that the keys will be returned.

The following have left art in the Gallery for longer than six months:

Donna Blanton	Carole Centanni	Gloria Hada	Mary Lake
Margaret Stand	Ben Leubke	Natalie Barreiro	Dorothy Jacques
Mary La Hue	Lisa Lerandau	Doreen Terryberry	Riley Johnson

According to the Membership Regulations, artwork left more than thirty days belongs to the Gallery. Since it has already been six months, artwork that is not picked up by March 15 will be disposed of as the Gallery sees fit. The artwork is under the table in the back room. After you pick up your pieces or pieces, please be sure to leave the rest neatly under the table.

Bob Mussay, Director of Gallery Operations
