

**BOOKMARK**

**COMPETITION**

**COAL COMPETITION for members only - feature your art thumbnail or “bit” on the new COAL Bookmark—our promotional /informational piece.**

Fee of \$5 per image you submit; enter as many times as you like.

Mail or deliver entry form, a 4x6 photographs of each image, and check for entries (made payable to COAL Gallery) c/o **Bookmark Competition**.

An outside judge will select images to be used in the design of the bookmark. Credit for your art will be given on the bookmark.

Deadline is **January 31**.

(Check our current postcards to see how past artists have created miniatures or “bits” of work.)

When photographing your work:

1. When setting up for the photograph, make sure your camera lens is perpendicular to the art work.
2. If you can, beg, borrow, or steal a tripod to steady your camera. This will insure a high level of sharpness.
3. It is best if you take the photo in jpeg or tiff format, as this makes it easier to adjust colors if necessary.
4. When selecting a piece of art, remember that you may select an entire work or a portion of the work for entry.
5. Printed photos should not exceed 4x6 inches in size. This not only helps you visualize the final product, but is necessary for judging.
